

Congresswoman Judy Chu

2020 Census: Consequences of an Undercount in the San Gabriel Valley

Special Guest: Douglas Johnson
President – National Demographics Corporation

Friday June 19, 2020

1:30pm – 2:00pm

Tune in Live on Facebook:
facebook.com/RepJudyChu

Rep. Judy Chu invites you to a discussion on the importance of an accurate 2020 Census count and how you can help ensure everyone is counted. An undercount will have serious negative impacts on the State of California and the San Gabriel Valley, which will result in less representation in Congress and less federal funding for local governments. Every person counts!
